PRIMARY SCHOOL

11 Hillside Drive | Singapore 548926

NPSI moves its Primary School to its long-term campus.

Founded in 2008 with a small cohort of students, NPSI has grown steadily to nearly 1500 students across grades Kindergarten to Grade 12. NPSI offers an enriching environment where each child feels valued and experiences a sense of belonging with abundant opportunities to learn and grow.

A high-performing school offering holistic education and academic excellence, the school is marching on with significant investments in campus site and modern resources to strengthen its educational offering in Singapore. The School follows the Cambridge Primary curriculum, augmented with some elements from other streams. In 2023, the school.

In 2023, the school set up two independent campuses, with the Primary School functioning from its own campus at Hillside near Kovan MRT in the central Upper Serangoon area.

The School follows the Cambridge Primary curriculum, augmented with some elements from other streams.

Our Hillside campus is an excellent combination of its heritage buildings with long education history and modern classroom spaces and resources

The warm and welcoming campus, with dedicated indoor and outdoor "play and learn" spaces, give your child an enabling environment with a positive learning atmosphere. The nestled in a quiet residential neighbourhood incorporates spaces

for a number of co-curricular activities like music, art, dance & drama and sports facilities for cricket, basketball, soccer and badminton. An average class size of 25 is maintained to enable child-centered attention. We believe that your child's happiness and well-being are equal priorities as academic and personal growth.

Students have now enjoyed the campus for half a year and are very happy in the new environment. Our loyal parent community has also had several opportunities to visit the campus and understand its scope of opportunities and its unique elegance.

This short brochure is an invitation to you to appreciate some of the visual shots of the Hillside campus that houses the Primary School.
